# Cluster1

Legionellosis NOD-like receptor signaling pathway Cytosolic DNA-sensing pathway

### Cluster3

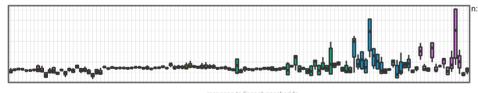

regulation of cytokine production

#### Herpes simplex infection Influenza A

NOD-like receptor signaling pathway

## Cluster4

regulation of T cell proliferation

response to lipopolysaccharide

Rheumatoid arthritis

Influenza A Cytokine-cytokine receptor inter...

positive regulation of immune sy...

Cytosolic DNA-sensing pathway response to virus

leukocyte chemotaxis

positive regulation of T cell ac...

## Cluster5

Jak-STAT signaling pathway

cytokine-mediated signaling pathway

Cytokine-cytokine receptor inter...
